Mr. BISHOP of Utah, from the Committee on Natural Resources,
submitted the following

REPORT

[To accompany H.R. 2600]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 2600) to provide for the conveyance to the State of Iowa of the reversionary interest held by the United States in certain land in Pottawattamie County, Iowa, and for other purposes, having considered the same, report favorably thereon with an amendment and recommend that the bill as amended do pass.

The amendment is as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. CONVEYANCE OF REVERSIONARY INTEREST REQUIRED.

(a) CONVEYANCE.—Not later than 90 days after the date of the enactment of this Act, the Secretary of the Interior shall convey, without consideration, to the State of Iowa the reversionary interest held by the United States and described in the quit claim deed dated April 13, 1998, instrument number 19170, as recorded in book 98, page 55015, in Pottawattamie County, Iowa.

(b) COSTS.—As a condition of the conveyance under subsection (a), all costs associated with such conveyance shall be paid by the State of Iowa, including the Phase I Environmental Site Assessment.

(c) SENSE OF CONGRESS.—It is the sense of Congress that the State of Iowa should continue to provide information regarding the Lewis and Clark National Historic Trail, the California National Historic Trail, and the Mormon Pioneer National Historic Trail.

PURPOSE OF THE BILL

The purpose of H.R. 2600 is to provide for the conveyance to the State of Iowa of the reversionary interest held by the United States in certain land in Pottawattamie County, Iowa.

BACKGROUND AND NEED FOR LEGISLATION

On November 29, 1989, through Public Law 101–191, Congress authorized the Secretary of the Interior to provide for the development of a trails interpretative center in the City of Council Bluffs, Iowa. Public Law 101–191 states that the operating entity must operate and maintain the center and make no major alterations without the written authorization of the Secretary.

In 1995, the National Western Trails Center, Inc., donated property to the federal government, and the National Park Service (NPS) later constructed a trails center on the property to interpret the history of the Lewis and Clark National Historic Trail, the Mormon Pioneer National Historic Trail, and the Oregon National Historic Trail.

In 1998, the federal government donated the trails center and surrounding property to the State Historical Society of Iowa. Federal ownership was transferred to the State subject to a reversion to the United States if the trails center is not being used for the purposes specified in Public Law 101–191. The deed also included the condition that “the State of Iowa shall make no major alterations of the structure or ground without the express written authorization of NPS.”

Since 1998, the State of Iowa has owned and operated the trails center. Presently, visitation at the center is very low, the hours of operation are limited, and maintenance is falling behind. The State of Iowa would like to remove the trails center from its responsibility and possibly transfer the property to the City of Council Bluffs for development. The NPS currently does not own or directly manage any of the land associated with Public Law 101–191, and it is the Committee’s understanding that the NPS does not have interest in taking over operation of the trails center or ownership of the property.

H.R. 2600 will convey the residual interest of the United States to the State of Iowa to clear title to the land. The State would pay the costs of the conveyance, including any environmental assessment.

COMMITTEE ACTION

H.R. 2600 was introduced on May 23, 2017, by Congressman David Young (R–IA). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Federal Lands. On October 3, 2017, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. Congressman Rob Bishop (R–UT) offered an amendment designated #1; it was adopted by voice vote. No further amendments were offered, and the bill, as amended, was ordered favorably reported to the House of Representatives by voice vote on October 4, 2017.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, October 19, 2017.

Hon. ROB BISHOP,
*Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 2600, a bill to provide for the conveyance to the State of Iowa of the reversionary interest held by the United States in certain land in Pottawattamie County, Iowa, and for other purposes.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

KEITH HALL,
Director.

Enclosure.

H.R. 2600—A bill to provide for the conveyance to the State of Iowa of the reversionary interest held by the United States in certain land in Pottawattamie County, Iowa, and for other purposes

H.R. 2600 would require the National Park Service (NPS) to convey to the State of Iowa the reversionary interest held by the United States in the Western Historic Trails Center in Pottawattamie County. The State of Iowa has owned and operated the center since 1998 and seeks to transfer the property to the City of Council Bluffs.

CBO estimates that enacting the legislation would have no significant effect on the federal budget. Under the bill, the State of Iowa would be required to pay for costs associated with the conveyance, including the cost of any environmental assessments.

Enacting H.R. 2600 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 2600 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 2600 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to provide for the conveyance to the State of Iowa of

the reversionary interest held by the United States in certain land in Pottawattamie County, Iowa.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. This bill does not contain any directed rule makings.
